Motions and Resolutions

Reps. Lasinski, Hoitenga, Greimel, Hornberger, Hauck, Hughes, Chang, Farrington, Leutheuser, Faris, Griffin, Lucido, Rendon, Alexander, Whiteford, Kelly, VanderWall, Sowerby, Moss, Hammoud, Brinks, Geiss, Ellison, Camilleri, Wittenberg, Phelps, Sabo, Jones, Chirkun, Durhal, Gay-Dagnogo, Clemente, Cochran, Peterson, Dianda, Love, Hoadley, Pagan, Green, Yanez, Byrd, Neeley, Schor, Scott, Pagel, LaSata, Rabhi, Greig, Zemke, Allor, Crawford, Elder, Kesto, Singh and Sneller offered the following resolution:

House Resolution No. 105.

A resolution to support the United Nations’ efforts to eliminate female genital mutilation worldwide, and urge the state of Michigan to do everything it can to end female genital mutilation in the state.

Whereas, Female genital mutilation is a harmful practice that involves the removal of all or part of the female genitalia. It is a human rights violation and serves no medical purpose; and

Whereas, Female genital mutilation has serious implications for the sexual and reproductive health of girls and women. Victims of female genital mutilation experience psychological trauma, pain, shock, bleeding, and other immediate injuries. Victims also face long-term consequences such as complications during childbirth, anemia, the formation of cysts and abscesses, painful sexual intercourse, sexual dysfunction, increased risk of HIV transmission, and numerous other problems; and

Whereas, Female genital mutilation is a barbaric practice performed all over the world as a means of controlling girls and women. An estimated 200 million girls and women alive today have been subjected to female genital mutilation worldwide, and roughly half a million girls and women in the United States have undergone female genital mutilation or are considered to be at risk for it in the near future; and

Whereas, The United Nations passed a historic resolution in 2012 calling on all countries to intensify global efforts to eliminate female genital mutilation. Countless other organizations, countries, states, provinces, and municipalities have worked to end female genital mutilation, but much more work needs to be done to support the mission outlined in the resolution; and

Whereas, The state of Michigan has the ability to make a significant difference in the fight against female genital mutilation. By passing stronger criminal laws, devoting resources to investigations, and engaging in a robust public health awareness campaign, the state can save girls from this horrible crime and hold perpetrators accountable; now, therefore, be it

Resolved by the House of Representatives, That we support the United Nations’ efforts to eliminate female genital mutilation worldwide, and urge the state of Michigan to do everything it can to end female genital mutilation in the state; and be it further

Resolved, That copies of this resolution be transmitted to the Secretary General of the United Nations, the Governor, the Attorney General, and the directors of the Department of State Police and Department of Health and Human Services.

The resolution was referred to the Committee on Law and Justice.

Reps. Schor, Clemente, Crawford, Elder, Ellison, Geiss, Greig, Howrylak, Kelly, Liberati, Pagan, Singh, Sneller and Sowerby offered the following resolution:

House Resolution No. 106.

A resolution to declare May 21-27, 2017, as Invisible Illness Awareness Week in the state of Michigan.

Whereas, An invisible illness is a chronic condition that is not easily observed by the general public and is often not readily detected by medical professionals. Examples include lupus, fibromyalgia, interstitial cystitis, rheumatoid arthritis, vasculitis, Crohn’s disease, and Ehlers-Danlos syndrome among others. These illnesses can be debilitating and prevent a person from performing traditional everyday activities; and

Whereas, Invisible illnesses aren't easily identified. A person with an invisible illness may feel judged by others or feel as though others simply do not understand what they are going through. A person with a chronic condition may be dealing with exhaustion, constant aches or pains, dizziness, or cognitive impairments, and yet may appear to be completely healthy on the outside; and

Whereas, Nearly 1 in 2 Americans has a chronic medical condition of one kind or another. Ninety-six percent of people with chronic medical conditions live with an ailment that is invisible. About a quarter of them have some type of activity limitation, ranging from mild to severe; and

Whereas, The onset or duration of an invisible illness can negatively affect a person's physical, emotional, economic, educational, and social well-being due to activity limitations; and

Whereas, There is a need for increased awareness about invisible illnesses to create a more accepting and understanding world for those who suffer; and

Whereas, The theme of this year's Invisible Illness Awareness Week is "Visible in Numbers," because of the widespread scope of the illnesses; and

Whereas, The purpose of Invisible Illness Awareness Week is to increase understanding of invisible illnesses among the general public and medical community while reducing the stigma surrounding the illnesses, in order to create an environment in which there is better care, earlier and more accurate diagnosis, and knowledge that invisible illness patients can lead a healthy life; and

Whereas, We join with the many individuals who are afflicted by these disorders and support increased awareness of invisible illnesses; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 21-27, 2017, as Invisible Illness Awareness Week in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.
